For more information, samples of Ultra Print™, a copy of our Ultra Digital® swatchbook or to request a copy of GPA's Ultra Digital® catalog, visit us online at [www.askgpa.com](http://www.askgpa.com) or contact GPA Customer Service at 800-395-9000.

## APPLICATIONS

Ultra Print™ Coated Papers are used as the substrate solution for an endless list of applications, including direct mail, heavy postcards, greeting cards, book pages and covers. Ultra Print™ Uncoated Papers are best suited for jobs with less demanding ink coverage and are ideal for black and white print jobs.

## FSC CERTIFIED

Ultra Print™ Coated Text & Cover Papers are Forest Stewardship Council (FSC) certified.

GPA's FSC certification number is: SCS-COC-001188.

## FINISHING

Ultra Print™ Coated & Uncoated Papers are suitable for a variety of finishing processes including laminating, UV coating, die cutting, scoring, folding and gluing.

## DIGITAL RESOURCES

GPA is a Premier Partner of Dscope (Digital Solutions Cooperative) and a Member of PODi (the Digital Printing Initiative).
